“ My wife Jackie met Ro in the early 1980's when they both worked for Mid America Research at Randhurst. Their friendship strengthened when they both wound up at Allstate in Glenview and later when they were transferred to Arlington Heights. When they were transferred again, this time to Barrington their friendship grew even stronger. It was a difficult drive past areas where deer frolicked almost every day. Ro was riding shotgun and would hold onto "Mits", a small stuffed bear Jackie kept in the car - probably as something to talk to on the way to work - girls do that. As time went on, we began to socialize and would go out to dinner with Ro and Leo and enjoyed many pleasant memories doing so. We're going to miss Ro and know that her suffering is over. I'll miss going out to dinner with them and the last time was to Cracker Barrel up in Gurnee.

Jackie is going to miss the get-togethers for luncheons with the group from Mid America that they used to attend.

Above all, Jackie will miss the weekly phone calls with her friend Ro

“ We knew Rose since 1979 when we moved into the neighborhood we still live in! She was one of first neighbors we met and she was amazing! I remember going to their house after school. Always a friendly and smiling face! My deepest sympathies to Leo, Luke, Joe, Anthony, and the rest of the Fasolo family. She will be missed!

“ Only happy memories about old times when, together my parents Giannina and Silvestro and my brother Luigi, I visited my mother's big family in Chicago. Among them, aunt Rose: a gentle, always smiling lady who could find her way to everybody's heart not just with words, but with her marvellous and joyful mood, and her mastery with food: a real cooking virtuoso. Rest in peace, aunt Rose.

“ I too have the fond memory of Rose’s lamb cake since we shared so many Easter celebrations with the Fasolo family ... but I think my strongest memory of Rose will be her unending devotion to her dear Leo. I looked up the definition of Holy Matrimony in the Catholic Church and part of it states that it is the “covenant by which a man and woman establish between themselves a partnership of the whole of life” 58 years together and never once did Rose’s commitment to Leo ever fail. Rest In Peace sweet Rose .. you will be missed. Love, Cathy Knoll

“ I have such wonderful memories of my parents spending time with Ro Ro and Leo. Their friendship took them through years of good times, and sometimes more challenging times, but always there for each other. I remember the hours of laughter and smiles and the incredible food and the St Joseph's table! Ro had a heart made of gold and the world was a better place with her in it. Rest in peace Ro and I am certain that you and my Mom and Dad have reconnected in life ever after.

My deepest sympathy to Leo and family. May your memories keep Ro alive forever in your hearts and may she rest in peace. What a beautiful family and legacy that will live on.

“ My dear dear friend. My heart aches for all of you, especially Leo . What began as neighbors, developed quickly into parisons!! My memories of Ro include long talks over the fence, exchanging recipes, watching each other's families grow. I love you, Ro. You will be sorely missed.

“ I miei ricordi risalgono a tanti anni fa quando ho conosciuto zia Rose in occasione del mio primo viaggio a Chicago. La ricordo come una donna buona, affettuosa e dolce come tutta la sua famiglia, e una ottima cuoca !.Riposa in pace zia RoRo

“ Aunt RO would always ask me how's your mom
The last time we spoke she said Debbie what a way to lose weight and she laughed
May you Rest In Peace and suffer no more and hug everyone for me and to watch over us from heaven

Debbie Colletti - January 06 at 08:11 PM

“ I graduated Holy Rosary elementary with Ro and sister Angie and they were a fun and crazy pair I moved to Fullerton California in 1968 and finally got a chance to see them again at the yearly reunion in 2010. The pair never changed and I was so happy to see that they didn't. Ro was always smiling as she did in the good old days. God and heaven are happy to welcome her home.

“ I will miss my godmother very much hard to believe it'll be 64 years next month that she held me in her arms for the first time she was great cook a beautiful mother and a grandmother the amazing thing is even though she was sick on and off during the years it always struck me what a beautiful heart she had she would always ask how you were and you're family doesn't get any better than that May Jesus and Mary hold you in their arms

Mark - January 07 at 02:58 PM

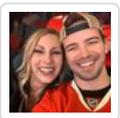

“ Rosaria was the quintessential Godmother. My actions, words and comments always made her smile and shake her head at the same time as she could never quite figure me out! I loved keeping her on her toes, Especially when we were all younger and gave her a run for her money when it came to Luca and his gang and our "evenings out". She yelled at me just like she yelled at the boys yet continued to love, cook and laugh as if we never did anything wrong!

She was the most kindhearted and devoted woman and I am proud and honored to be her Goddaughter.

She will be missed greatly.
